Hey [James],

Two years ago, I started my bag-making business with passion and a dream — but no strategy.

I had beautiful designs ringing in my head, but zero clue on how to sell them.

Days turned into weeks, weeks into months... and still no profit.

I was about to give up.

But as a single mom of two and the sole breadwinner, I knew I had to find a way to make this work.

So I paused, learned everything I could — attending seminars, watching videos, studying sales strategies.

Then I came back, this time with a plan.

And now? My bag brand is thriving — with multiple designs, custom orders, and six-figure sales.

I took everything I learned along the way and created a course called **“GET PAID TO BE YOU.”**

It's designed for women who are ready to turn their passion into profit.

Right now, I'm offering a **30% discount** — but it expires tomorrow at 11:59 PM.

If you're ready to take control and build your dream, this course is for you.
