

# The course I wish I had 5 years ago (under \$100)

Hey 🙌

5 years ago, I was just a **\*\*broke engineering graduate\*\***...

📖 Distinction, but no direction.

💼 No job.

📱 Just scrolling my phone after church one Sunday.

Then I saw something that caught my eye:

**\*\*➡ Selling digital products.\*\***

The class wasn't even close to where I lived.

But I made the sacrifice — spent what I had on transport and signed up.

After the training, I jumped in.

💬 Got responses... but no one bought.

I was frustrated 😞

Felt like everything I learned wasn't working.

I nearly gave up.

But then I told myself:

👉 **\*\*"Just one last try."\***

I watched business videos.

I paid for coaching from a fellow student doing well.

And that ONE decision?

🔥 Changed everything.

Today, I've made **\*\*7 figures selling digital products\*\*** — all online.

Now I've put **\*everything I've learned\*** into a course.

Simple. Practical. Life-changing.

Just like it was for me.

 \*\*You can grab it today for less than \ \$100.\*\*

But it's closing \*\*TOMORROW at 11:59 PM.\*\*

No replays. No extensions.
